

PIONEERS IN SKIRTS

a character-driven documentary addressing how women & girls with pioneering ambitions combat bias and sexism in our culture

Ashley grew up in a world where girls are taught to be powerful. They're told, "If you dream it, you can be it," and are encouraged to work towards those dreams.

What happens when dreamers grow up?

Pioneers in Skirts® is a **social impact documentary** confronting the gender-bias and sexism that can chip away at a woman, hurt her potential, and make her feel like she must re-think her dreams.

In post-production now!

a film needed now more than ever

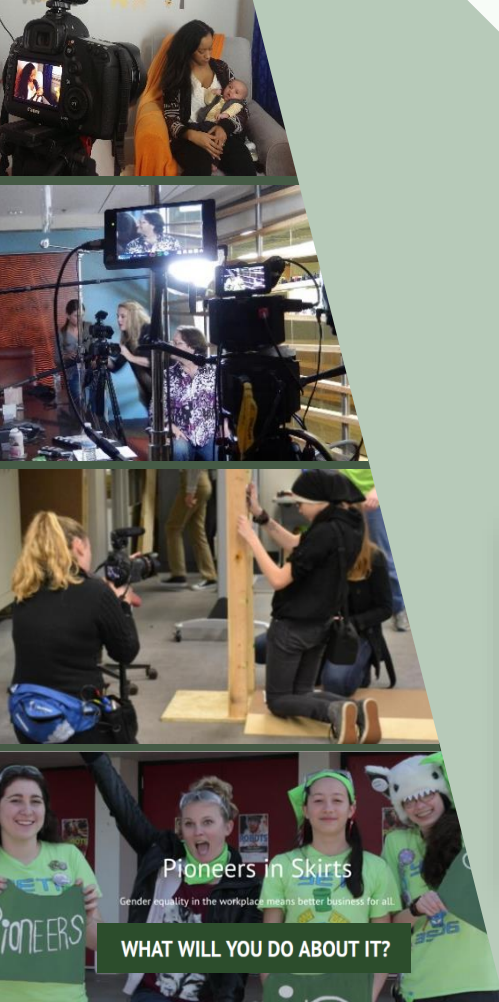

We have big plans for Pioneers in Skirts and invite YOU to join our women-led team by making a donation to our completion costs.

Help us spread this positive message and empower young professionals to be better prepared for what's ahead in their careers.
