TRUE OR FALSE?

~~X~~ over  if the statement is true. ~~X~~ over  if NOT true.

1

Unconscious biases exist in all of us.

2

I can only have an unconscious bias towards people who are different from me.

3

When someone assumes things about me based on what they see or what they've heard, they don't really know who I am.

4

Assumptions people make about other people don't affect a person's ability to achieve goals or career ambitions.

5

Women of all backgrounds are seeing the same progress in career outcomes at the same rate.

6

Always seeing male plumbers or female nurses can make us think that a plumber should be a man and a nurse should be a woman.

HOW FAMILIAR ARE YOU WITH THE MEANING OF THESE WORDS?

	NEVER HEARD BEFORE	HEARD BEFORE BUT DON'T UNDERSTAND	SOMEWHAT FAMILIAR	VERY FAMILIAR
